MEMORANDUM FOR THE FILE

E-X-T-R-A-C-T

"5. General Carter called to inquire about Agency Christmas plans. I told him that they were under way but that if he had any specific ideas we would certainly appreciate them. He said that he had none at the moment but hoped that we would have a program at least as good as, and if possible better than, last year's and offered to be of any assistance he could."
